[Intro] x2

[Verse]

E (E)
I'm not afraid
A **E**
Of anything in this world
B **C#m**
There's nothing you can throw at me
A **E**
That I haven't already heard

E (E)
I'm just trying to find
A **E**
A decent melody
B **C#m**
A song that I can sing
A **E**
In my own company

[Pre-chorus]

Riff 1
C#m **A**
I never thought you were a fool

Riff 2

F#
But darling, look at you
Riff 1

C#m **A** **C#m**
You gotta stand up straight, carry your own weight
B
These tears are going nowhere baby

[Chorus]

E **A** **E**
You got to get yourself together
B **C#m** **A** **E**
You've stuck in a moment and now you can't get out if it
E **A** **E** **B** **C#m**
Don't say that later will be better, now you're stuck in a moment
A **E**
And you can't get out of it

In the live version The Edge does something like this:

E
E|--0--0--0-----|
B|-----0-----|

D|-----2---|

[Verse]

E **(E)**
I will not forsake
A **E**
The colors that you bring
B **C#m**
But the night you filled with fireworks
A **E**
They left you with nothing

E **(E)**
I am still enchanted
A **E**
By the light you brought to me
B **C#m**
I still listen through your ears

A **E**
And through your eyes I can see

[Pre-chorus]

Riff 1

C#m **A**
And you are such a fool
Riff 2

F# **A**
To worry like you do

Riff 1

C#m **A**
I know it's tough
C#m
And you can never get enough
B
Of what you don't really need now....my oh my

[Chorus]

E **A** **E**
You got to get yourself together
B **C#m**
You've stuck in a moment
A **E**
And now you can't get out if it
E **A** **E**
Oh love, look at you now
G# **C#m**
You have yourself stuck in a moment
A **E**
and you can't get out of it

[Pre-chorus]

F#m
I was unconscious, half asleep
A **E**
The water was warm until you discover how deep....
F#m
I wasn't jumping....for me it was a fall
A **D** **B**
It's a long way down to nothing at all

[Chorus]

E **A** **E**
You got to get yourself together
B **C#m**
You've stuck in a moment
A **E**
And now you can't get out if it
E **A** **E**
Oh love, look at you now
G# **C#m**
You have yourself stuck in a moment
A **E**
and you can't get out of it

[The Edge singing]

E **A** **E**
And if the night runs over
B **C#m** **A** **E**
And if the day won't last
E **A** **E**
And if our way should falter
B **C#m** **A** **E**
Along the stony pass

[The Edge And Bono Singing Together]

E **A** **E**
And if the night runs over
B **C#m** **A** **E**
And if the day won't last
E **A** **E**
And if our way should falter
B **C#m** **A** **E**
Along the stony pass

It's just a moment
A **E**
This time will pass
