Sweetest Goodbye
Maroon 5

[Intro]

Abm7  C#   F#   Ebm

[Verse 1]

Abm7                                   C#
Where you are seems to be            As far as an eternity
 F#                                  Ebm
Outstretched arms open hearts    And if it never ends then when do we start?

[Pre-Chorus]

Abm7                    C#                        F#
I'll never leave you behind     Or treat you unkind
                          Ebm
I know you understand
   Abm7                          C#                        F#
Ooh   And with a tear in my eye        Give me the sweetest goodbye

[Chorus]

      Ebm6                       B                Bb
That I ever did receive      Pushing forward and arching back
'Ebm                 Ebm6
Bring me closer to heart attack
B                 Bb                  'Ebm
Say goodbye and just fly away    When you come back
   Ebm6                          B                            Bb
I have some things to say       How does it feel to know you never have to be
'Ebm                 Ebm6
alone    When you get home
B                            Bb                'Ebm
There must be someplace here that only you and I could go
   Ebm6
So I can show you how I...

[Verse 2]

Abm7                  C#                          F#
Dream away everyday    Try so hard to disregard     The rhythm of the
                          Ebm                    Abm7
rain that drops    And coincides with the beating of my heart
```

[Pre-Chorus]

```
                        C#                        F#
I'll never leave you behind    Or treat you unkind
Ebm                   Abm7
I know you understand      yeeh yeeh yeah
                      C#                          F#
And with a tear in my eye    Give me the sweetest goodbye
         Ebm6
That I ever ever ever did receive
```

[Chorus]

```
B                    Bb              'Ebm              Ebm6
Pushing forward and arching back    Bring me closer to heart attack
B                    Bb          'Ebm
Say goodbye and just fly away    When you comeback
   Ebm6
I have some things to say
```

[Outro]

```
B                              Bb                    'Ebm              Ebm6
How does it feel to know you never have to be alone    When you get home
B                              Bb                'Ebm              Ebm6
There must be someplace here that only you and I could go      So I can show

             B      Bb    'Ebm    Ebm6
you how I... Feel   feel  feel   feel

'B        Bb       'Ebm     Ebm6
```
