

# Behind These Hazel Eyes

Kelly Clarkson

(Intro)

**F#m D A E F#m D A E**

(Verse)

**F#m D**

Seems like just yesterday

**A E**

You were a part of me

**F#m D**

I used to stand so tall

**A E**

I use to be so strong

**F#m D**

Your arms around me tight

**A E F#m**

Everything, it felt so right

**DAE**

Unbreakable, like nothin' could go wrong

**D**

Now I can't breathe

**F#m**

No, I can't sleep

**DE**

I'm barely hangin' on

(Chorus)

**F#m D**

Here I am, once again

**AE**

I'm torn into pieces

**F#m D**

Can't deny, can't pretend

**AE**

Just thought you were the one

**F#m D**

Broken up, deep inside

**Bm F#m D**

But you won't got to see the tears I cry

**AE**

Behind these hazel eyes

(Verse 2)

**F#m D**

I told you everything

**AE**

Opened up and let you in

**F#m D**

You made me feel alright

**AE**

For once in my life

**F#m D**

Now all that's left of me

**AE**

Is what I pretend to be

**F#mD A E**

So together, but so broken up inside

**D**

'Cause I can't breathe

**F#m**

No, I can't sleep

**DE**

I'm barely hangin' on

Chorus:

**F#m D**

Here I am, once again

**AE**

I'm torn into pieces

**F#m D**

Can't deny, can't pretend

**AE**

Just thought you were the one

**F#m D**

Broken up, deep inside

**Bm F#m D**

But you won't got to see the tears I cry

**AE**

Behind these hazel eyes

(Bridge)

**Bm DF#m**

Swallow me then spit me out

**Bm E F#m**

For hating you, I blame myself

**Bm D F#m**

Seeing you it kills me now

**DE**

No, I don't cry on the outside

**F#mDAE F#mDE**

Any more... Any more...

(Chorus) (2X)

**F#m D**

Here I am, once again

**AE**

I'm torn into pieces

**F#m D**

Can't deny, can't pretend

**AE**

Just thought you were the one

**F#m D**

Broken up, deep inside

**Bm F#m D**

But you won't got to see the tears I cry

**AE**
