Verse 1

Riff 1

Nothing suffocates you more than

The passing of ev'ryday human events.

Riff 1

And isolation is the oxygen mask,

You make your children breath in to survive...

Chorus

Riff 1

And I'm not a slave to a god that doesn't exist.

Riff 1

And I'm not a slave to a world that doesn't give a shit.

Bridge

B5 A5

And when we were good,

B5 A5

You just close your eyes.

D5 B5

So now we are bad,

A5 E5 (F5)

We'll scar your mind

Riff 1

Fight, fight, fight, fight.
Fight, fight, fight, fight.
