

Did It In A Minute
Hall & Oates

Intro: G C D G C D Em Am D Em C D

Verse 1:

When you find yourself alone and when going out is coming home
you can count on "the kid"
'cause there's nobody waiting around oh oh oh oh
If you're not an easy mark
it's the shot in the dark that hits the heart
I know I know when it's coming (I thought so anyway)
Some things stay the same and some are due for change
I thought I had them all nailed down
but you turned it around oh

Chorus:

You did it you did it you did it
you did it you did it in a minute (you did it) I know I know I know I know
You did it you did it you did it
you did it you did it in a minute (you did it)
