Well (Baby Please Don't Go)
by Walter Ward

16 bar minor blues, pattern is:
Am for 6 bars, E 2 bars
Am 2 bars, Dm 2 bars, Am, E, Am 2 bars

slowly (78 bpm), even 8th

[BB Start] drum count in, then

Am, 2 bars

    Am
You know I love you, baby, please don't go, well, well
                           E
Know I love you, baby, please don't go, well, well
     Am
You know I love you, honey child
       Dm
There's nothing that I wouldn't do for you right now
   Am   **E**   **Am**
You know I love you, baby, please don't go, well

Know I need you, baby, please don't go
You know I love you, baby, please don't go, well
You know I love you, honey child
Nothing that I wouldn't do for you right now
Know I love you, baby, please don't go, well

JAM

You know I want you, baby, please don't go, well, well
Know I want you, baby, please don't go
You know I love you, honey child
There's nothing that I wouldn't do for you right now
You know I want, baby, please don't go, well
