Verse 1:

```

A                F    G    A
Every time I see her she don't even look my way,
A                F    G    A
maybe she will notice me, but then what would I say?
      C#m          F#m          C#m          F#m
I would say what's on my mind, but the words are hard to find,
      Bm          D          E    E7
but I'm gonna try to tell her anyway.
  
```

CHORUS:

```

                A
Don't you know that she's just my style,
                D
everything about her drives me wild.
                A
Don't you know that she's just my style,
                D
everything about her drives me wild.
                G          E    E7
Don't you know that she's fine, so fine.
  
```

Bm D E E7
oh, that makes me want to tell her that I care.
