

Like A Hurricane
Neil Young

Am G F Em G

Am G
Once I thought I saw you in a crowded hazy bar
F Em G
Dancing on the light from star to star.
Am G
Far across the moonbeam I know that's who you are
F Em G
I saw your brown eyes turning once to fire.

C G F G
You are like a hurricane,
C G F G
there's calm in your eye.
C G F G
And I'm gettin' blown away,
F
to somewhere safer where the feeling stays.
Am
I want to love you but I'm getting blown away.

Am G F Em G

Am G
I am just a dreamer, and you are just a dream,
F Em G
you could have been anyone to me.
Am
Before that moment you touched my lips,
G
that perfect feeling when time just slips
Am G
Away between us on our foggy trip.

C G F G
You are like a hurricane,

C G F G
there's calm in your eye.
C G F G
And I'm gettin' blown away ,
F
to somewhere safer where the feeling stays.
Am
I want to love you but I'm getting blown away.

Solo Am G F Em G
