

Wanted Dead Or Alive

Bon Jovi

[Verse 1]

          D                  Cadd9                  G  
It's all the same, only the names will change  
Cadd9  G                          F      D  
Everyday it seems we're wasting away  
      D                          Cadd9          G  
Another place where the faces are so cold  
      Cadd9      G                  G      F      D  
I'd drive all night just to get back home

[Chorus]

          Cadd9  G  
I'm a cowboy  
      F                  D  
On a steel horse I ride  
      Cadd9  G  F      C      D  
I'm wanted  dead or alive  
Cadd9  G  F      C      D  
Wanted  dead or alive

[Verse 2]

Dm      D                          Cadd9                  G  
Sometimes I sleep, sometimes it's not for days  
          Cadd9          G                          F          D  
And the people I meet always go their separate ways  
      D                          Cadd9          G  
Sometimes you tell the day by the bottle that you drink  
      Cadd9                  G      G      F          D  
And times when you're alone all you do is think

[Chorus]

**Cadd9 G**  
I'm a cowboy

I walk these streets, a loaded six string on my back
