

I'm just a Girl  
No Doubt

[Intro]

x12

Take this pink ribbon off my eyes  
I'm exposed  
And it's no big surprise  
Don't you think I know  
Exactly where I stand  
This world is forcing me  
To hold your hand

```
      Bm          A      G      A
'Cause I am just a girl, little ol' me
Bm          A      G      A
Don't let me out of your sight
Bm          A      G      A
I'm just a girl, all pretty and petite
      Bm          A      G      A
So don't let me have any rights
G          C (the G and C are palm muted)
Oh...I've had it up to here!
```

INTRO x10

(while Gwen sings:)  
The moment that I step outside  
So many reasons  
For me to run and hide  
I can't do the little things  
I hold so dear  
'Cause it's all those little things  
That I fear

```
      Bm          A
'Cause I am just a girl
```

**G** **A**  
 I'd rather not be  
**Bm** **A**  
 'Cause they won't let me drive  
**G** **A**  
 Late at night  
**Bm** **A**  
 I'm just a girl  
**G** **A**  
 Guess I'm some kind of freak  
**Bm** **A**  
 'Cause they all sit and stare  
**G** **A**  
 With their eyes  
**Bm** **A**  
 I'm just a girl  
**G** **A**  
 Take a good look at me  
**Bm** **A** **G** **A**  
 Just your typical prototype  
**G** **C** (the G and C are palm muted)  
 Oh...I've had it up to here!

[Solo]

 Oh...I'm I making myself clear! x1

 I'm just a girl in the world...  
 That's all that you'll let me be!

 I'm just a girl, living in captivity  
**Bm**
