

Training Season
Dua Lipa

[Intro]

Fm C

[Verse 1]

Fm

Are you

C

Someone that I can give my heart to?

Fm

Or just the poison that I'm drawn to?

C

It can be hard to tell the difference late at night

Fm

Play fair

C

Is that a compass in your nature?

Fm

Or are you tricky 'cause I've been there?

C

And, baby, I don't need to learn my lesson twice

[Pre-Chorus]

Fm C Fm

Bbm

But if you really wanna go there

C

You should know I

[Chorus]

Fm

Need someone to hold me close

Deeper than I've ever known

Cm

Whose love feels like a rodeo

Fm

Knows just how to take control

When I'm vulnerable

He's straight talking to my soul

Cm

Conversation overload

Fm

Got me feeling vertigo

[Post-Chorus]

C

Are you somebody who can go there?

Fm

'Cause I don't wanna have to show ya

C

If that ain't you, then let me know, yeah

Fm C

'Cause training season's over

[Verse 2]

Fm

I tried

C

To see my lovers in a good light

Fm

Don't wanna do it just to be nice

C

Don't wanna have to teach you how to love me right

Fm

I hope

C

It hits me like an arrow

Fm

Someone with some potential

C

Is it too much to ask for?
Who understands I

[Chorus]

Fm

Need someone to hold me close
Deeper than I've ever known

Cm

Whose love feels like a rodeo

Fm

Knows just how to take control
When I'm vulnerable
He's straight talking to my soul

[Bridge]

C

Can you compete? Now is your time

Fm

Run when you hear that whistle blow

C

Are you on my team or stuck on the sidelines
Waiting for someone to tell you to go?

[Pre-Chorus]
