[Verse 1]

Gm

Well I came upon a child of God

G7 C Csus4 X33011 OR X32011

He was walking along the road

C Csus4

And I asked him, tell me where are you going?

Gm

This he told me

Gm

Said I'm going down to Yasgur's Farm,

G7 C Csus4

Gonna join in a rock and roll band.

C Csus4 Gm

Got to get back to the land and set my soul free.

[Chorus]

C G

We are stardust, we are golden

F C

We are billion year old carbon

Bb F Csus4 Gm F

And we've got to get ourselves back to the gaaar aaar den

[Verse 2]

Gm

Well then, can I walk beside you?

G7 C Csus4

I have come here to lose the smog,

C Csus4 Gm

And I feel as I'm a cog in something turning.

Gm

And maybe it's the time of year,

G7 C Csus4

Yes, and maybe it's the time of man.

C Csus4 Gm

And I don't know who I am, but life is for learning.

[Chorus]

We are stardust, we are golden
We are billion year old carbon
And we've got to get ourselves back to the gaaar aaar den

[Instrumental Solo]

(over these chords: Gm C Csus4 C Csus4 Gm)

[Chorus]

We are stardust, we are golden
We are billion year old carbon
And we've got to get ourselves back to the gaaar aaar den

[Verse 3]

By the time we got to Woodstock,
We were half a million strong
And everywhere was song and a celebration.
And I dreamed I saw the bombers, jet planes
Riding shotgun in the sky,
Turning into butterflies
Above our nation.

[Chorus]

We are stardust, we are golden
We are billion year old carbon
And we've got to get ourselves back to the gaaar aaar den

[Outro/Instrumental]
