

# Better Change - Dan Fogelberg

## Verse 1:

          G  
I can see you in the distance  
          C                  G  
And you're heading for a fall  
  
Sinking deeper by the minute  
          C                  G  
You're about to lose it all

## CHORUS:

          Em                          C  G/B  C  
You better change, before the sun goes down  
          Em                          C  G/B  C  
You better leave, before you are the last in town  
          Em                          C  G/B  Am  
You better raise your fortresses, or tear them down  
          Em      C  G/B  G  
Tear them down  
          Em      C  G/B  G  
Tear them down

## Verse 2:

          G  
There's an angel on your shoulders  
          C                  G  
And a devil at your feet  
  
And that door you see before you  
          C                  G  
Could be poison, tasting sweet

## CHORUS:

          Em                          C  G/B  C  
You better change, before the sun goes down  
          Em                          C  G/B  C  
You better leave, before you are the last in town  
          Em                          C  G/B  Am  
You better raise your fortresses, or tear them down  
          Em      C  G/B  G  
Tear them down  
          Em      C  G/B  G  
Tear them down
