

# Sugaree

Key of B

Grateful Dead

part 1 verse

short tap to chorus

part 2 end

**B** **E**  
When they come to take you down  
when they bring that wagon 'round  
When they come to call on you  
and drag your poor body down

short tap before each chorus

(CHORUS)

**F#m** **C#m** **A** **E**  
Just one thing I ask of you, just one thing for me  
**B** **C#m** **A** **E**  
Please forget you know my name, my darling sugaree  
**B** **E** **C#m** **A** **E**  
Shake it, shake it sugaree, just don't tell them that you know me  
**B** **E** **C#m** **A** **E**  
Shake it, shake it sugaree, just don't tell them that you know me

You thought you was the cool fool  
and never could do no wrong  
Had everything sewed up tight.  
how come you lay awake all night long

(Repeat Chorus)

Well in spite of all you had gained  
you still had to stand out in the pouring rain  
One last voice is calling you  
and I guess it's time you go

(Repeat Chorus)

Well shake it up now sugaree,  
I'll meet you at the jubilee  
and if that jubilee dont come  
well i'll meet you on the run

long tap to final pre chorus and chorus

(Repeat Chorus)
