Verse 1:
A              D                  F#m       E
  Those times I waited for you seem so long ago
A            D              F#m              E
  I wanted you far too much to ever let you go
D                      E
  You know you never got by I feel it too
D            E
  And I guess I never could stand to lose
D                    E
  It's such a pity to say

Half Chorus:
           A  D              F#m  E
Goodbye to you, Goodbye to you

Verse 2:
A               D                       F#m          E
 How could I have loved someone like the one I see in you
A               D                   F#m              E
  I remember the good times baby now and the bad times too
D              E
  These last few weeks of holding on
D            E
  The days are dull the nights are long
D                       E
  Guess it's better to say

(Full Chorus)
           A  D              F#m  E
Goodbye to you, Goodbye to you
           A  D              F#m  E
Goodbye to you, Goodbye to you

Bridge:
F#m                 D          F#m            D
  Cause baby it's over now    No need to talk about it
```

```
F#m              D     F#m             D                    F#m
   It's not the same   My love for you's just not the same
F#m      C#m        D             E                     F#m
  And my heart, and my heart, And my heart can't stand the strain
       C#m        D            E                 F#m
And my love, and my love, And my love won't stand the pain
F#m      C#m        D             E                     F#m
  And my heart, and my heart, And my heart can't stand the strain
       C#m        D            E
And my love, and my love, And my lo-o-o-ve

  These last few weeks of holding on
D             E
  The days are dull the nights are long
D                     E
  Guess it's better to say

(Full Chorus)
          A   D               F#m  E
Goodbye to you, Goodbye to you
          A   D               F#m  E
Goodbye to you, Goodbye to you
