[Verse]

```
D                A
Hey, don't write yourself off yet.

                G                A                D
It's only in your head you feel left out or looked down on.

                D                A
Just try your best, try everything you can.

                G                A                D
And don't you worry what they tell themselves        when you're away.
```

[Chorus]

```
                D                A
It just takes some time, little girl you're in the middle of the ride everything,
                G                D
Everything will be just fine, everything, everything will be all right (all
right)
```

[Verse]

```
D                A
Hey, you know they're all the same.

                G                A                D
You know you're doing better on your own, so don't buy in.

                D                A
Live right now.        Yeah, just be yourself.

                G                A                D
It doesn't matter if it's good enough        for someone else.
```

[Chorus]

It just takes some time, little girl you're in the middle of the ride everything,
Everything will be just fine, everything, everything will be all right (all right)

[Verse]

Hey, don't write yourself off yet.
It's only in your head you feel left out or looked down on.
Just do your best, do everything you can.
And don't you worry what the bitter hearts are gonna say.

[Chorus]

It just takes some time, little girl you're in the middle of the ride everything,
Everything will be just fine, everything, everything will be all right (all right)
It just takes some time, little girl you're in the middle of the ride everything,
Everything will be just fine, everything, everything will be all right (all right)

[End]

D
Try these power chords, not the secondary chords.
D - x577xxx (or D2 - xx0230) A - 5776xx
G - 3554xx (or 3200xx)
For the D2 and A2, mute the low E string with your index finger.
