[Intro]

**E** **G#m**  
Forget you and your mom and your sister and your job  
**C#m** **Amaj7**  
And your broke-down car and those things you call art  
**E** **G#m**  
Forget you and your friends that I'll never see again  
**C#m** **Amaj7**  
Everybody but your dog, you can all get lost

[Verse 1]

**E** **G#m**  
I swear I meant to mean the best when it ended  
**C#m** **Amaj7**  
Even tried to bite my tongue when you start things  
**E** **G#m**  
Now you're textin' all my friends asking questions  
**C#m** **Amaj7**  
They never even liked you in the first place  
**E** **G#m**  
Dated a girl that I hate for the attention  
**C#m** **Amaj7**  
She only made it two days, what a connection  
  
**E** **G#m**  
It's like you'd do anythin' for my affection

**C#m**

**Amaj7**

You're goin' all about it in the worst ways

[Pre-Chorus]

**E**

**G#m**

I was into you, but I'm over it now

**C#m**

And I was tryna be nice

**E**

**G#m**

**C#m**

But nothing's getting through, so let me spell it out

[Chorus]

**Amaj7**

**E**

A-B-C-D-E, Forget you

**G#m**

And your mom and your sister and your job

[Verse 2]

**E**                      **G#m**

**C#m**                      **Amaj7**  
When I had nothin' to say you couldn't take it  
**E**                      **G#m**  
Told everyone I'm a, so I became it  
**C#m**                      **Amaj7**  
Always had to put yourself above me

[Pre-Chorus]

**E**              **G#m**                      **C#m**  
I was into you, but I'm over it now  
  
And I was tryna be nice

But nothing's getting through, so let me spell it out

[Chorus]

**Amaj7**                      **E**

   **G#m**  
And your mom and your sister and your job  
                         **C#m**                      **Amaj7**  
And your craigslist couch and the way your voice sounds

**E** **G#m**  
Forget you and your friends that I'll never see again  
**C#m** **Amaj7**  
Everybody but your dog, you can all get lost

[Post-Chorus]

A-B-C-D-E, Forget you

[Outro]

**G#m**  
And your mom and your sister and your job  
**C#m** **Amaj7**  
And your broke-down car and those things you call art

**E** **G#m**  
Forget you and your friends that I'll never see again  
**C#m** **Amaj7**  
Everybody but your dog, you can all get lost
