Loving you, baby child

Tighten up on your reins

You are running wild, running wild
F#5
It's true

A5 **B5**
Yeah, it's out of sight

[Verse 4]

C#5 **F#5** **A5**
When I was young and moving fast

Going just to be sane

All the while not knowing

I don't need to get steady

I know just how I feel

I'm telling you to be ready

A5

My dear
