**F# C#/E# G#m7 F# C#/E#**  
**G#m7**

[Verse 1]

**F# C#/E#**  
What's goin' on, Mama?  
Something just dawned on me  
**G#m7**

I ain't been home in some months  
**F# C#/E#**  
Been chasin' songs and women  
Makin' some bad decisions  
**G#m7**

God knows I'm drinkin' too much  
**Badd9 F#/A#**  
Yeah, I know you've been worrying about me  
**G#m7**  
You've been losing sleep since ninety three

[Chorus]

**F# C#/E#**  
I thought you should know  
**G#m7 F#**  
That all those prayers you thought you wasted on me  
**C#/E# G#m7**  
Must've finally made their way on through  
**F# C#/E#**  
I thought you should know  
**G#m7**  
I got me a new girl down in Jefferson City, and  
**F# C#/E# G#m7**  
She lets me fish whenever I want to  
**F# C#/E#**  
Yeah I'm still proud of where I came from Still  
your only damn son

**G#m7**  
Can you believe I'm on the radio?

**F#** **C#/E#** **G#m7**  
Just thought you should know, thought you should know, thought you  
should know

[Verse 2]

**F#** **C#/E#**  
Oh, by the way, Momma, didn't mean to ramble on ya  
**G#m7**  
How's everything back at home?  
**F#** **C#/E#**  
Yeah, how's that garden comin'?  
Is dad still doing dumb shit?  
**G#m7**  
And how'd he keep you this long?  
**Badd9** **F#/A#**  
Yeah, I'm sorry that I called you so late  
**G#m7**  
I just miss you but anyways

[Chorus]

**F#** **C#/E#**  
I thought you should know  
**G#m7** **F#**  
That all those prayers you thought you wasted on me  
**C#/E#** **G#m7**  
Must've finally made their way on through  
**F#** **C#/E#**  
I thought you should know  
**G#m7**  
I got me a new girl down in Jefferson City, and  
**F#** **C#/E#** **G#m7**  
She lets me fish whenever I want to  
**F#** **C#/E#**  
Yeah I'm still proud of where I came from Still  
your only damn son  
**G#m7**  
Can you believe I'm on the radio?  
**F#** **C#/E#** **G#m7**  
Just thought you should know, thought you should know, thought you  
should know

I thought you should know

**G#m7**  
That I really like this girl down in Jefferson City, and  
**F#** **C#/E#** **G#m7**  
It turns out she's a lot like you  
**F#** **C#/E#**
