[Verse 1]

**E**                    **B**                    **C#m**  
Like the pine trees lining the winding road  
                         **A B**

I got a name, I got a name  
**E E**                    **B**                    **C#m**

But I'm living the dream      that he kept hid

[Chorus]

**G#m**                    **A**                    **G#m**                    **C#**

Movin' ahead so life won't pass me by

[Verse 2]

**E**                    **B**                    **C#m**

I got a song, I got a song

[Pre-Chorus]

**G#m**                    **A**                    **E**                    **G#**

If it gets me nowhere, I'll go there proud
