

Upside Down  
Jack Johnson

[Intro]

E F#m E F#m

[Verse 1]

E

Who's to say  
What's impossible

F#m

Well they forgot  
This world keeps spinning

E

And with each new day

F#m

I can feel a change in everything

E

And as the surface breaks reflections fade

F#m

But in some ways they remain the same

E

And as my mind begins to spread it's wings

F#m

There's no stopping curiosity

E F#m

I want to turn the whole thing upside down

[Chorus]

A B E F#m

I'll find the things they say just can't be found

A B E F#m

I'll share this love I find with everyone

A B E F#m

We'll sing and dance to Mother Nature's songs

A B E

I don't want this feeling to go away

[Bridge]

F#m E F#m

[Verse 2]

I can't do everything

Things aren't always just what they seem

I want to turn the whole thing upside down
