[Verse 4]

Well this place is old

It feels just like a beat up truck

I turn the engine, but the engine doesn't turn

Well it smells of cheap wine & cigarettes

This place is always such a mess

Sometimes I think I'd like to watch it burn

I'm so alone, and I feel just like somebody else

Man, I ain't changed, but I know I ain't the same

But somewhere here in between the city walls of dyin' dreams

I think her death it must be killin' me

[Pre-Chorus]

G G F#7 F#7

Hey hey hey

[Chorus]

Come on try a little

Nothing is forever

Got to be something better than In the middle

Me & Cinderella Put it all together

We can drive it home

With one headlight

[Outro]
