Offspring

[Intro]

**A5 F5 C5 G5**  
La la la la la la la la  
**A5 F5 C5 G5 A5 F5 C5 G5**  
**F5 G5 C5 G5 C5 G5 A5 F5 C5 G5**  
**A5 F5 C5 G5**

[Verse 1]

**A5 F5**  
I wrote her off for the tenth time today  
**A5 F5 C5 G5**  
And practiced all the things I would say  
**A5 F5 C5 G5**  
But she came over, I lost my nerve  
**A5 F5 C5 G5**  
I took her back and made her dessert  
**A5 F5 C5 G5**  
Now I know I'm being used  
**A5 F5 C5 G5**  
That's okay, man, 'cause I like the abuse  
**A5 F5 C5 G5**  
I know she's playing with me  
**A5 F5 C5 G5**  
That's okay 'cause I've got no self esteem

[Chorus]

**A5 F5 C5 G5**  
Oh hey yeah ay yeah yeah yeah  
**A5 F5 C5 G5**  
Oh yeah yeah  
**A5 F5 C5 G5**  
Oh yeah yeah  
**A5 F5 C5 G5**  
Oh yeah yeah

[Verse 2]

**A5**            **F5** **C5**            **G5**  
We make plans to go out at night  
**A5**            **F5**    **C5**            **G5**  
I wait till two, then I turn out the light  
**A5**            **F5**    **C5**            **G5**  
This rejection's got me so low  
**A5**            **F5**    **C5**            **G5**  
If she keeps it up, I just might tell her so

[Chorus]

**A5**    **F5**    **C5**    **G5**  
Oh hey yeah ay yeah yeah yeah  
**A5** **F5** **C5** **G5**  
Oh yeah yeah  
**A5** **F5** **C5** **G5**  
Oh yeah yeah  
**A5** **F5** **C5** **G5**  
Oh yeah yeah

[Bridge]

**D5**            **Bb5** **F5**            **C5**    **D5**            **Bb5**  
When she's saying, oh, that she wants only me Then I won  
          **F5**                    **C5**  
der why she sleeps with my friends  
**D5**            **Bb5** **F5**            **C5** **D5**            **Bb5**  
When she's saying, oh, that I'm like a disease Then I won  
          **F5**                    **C5**  
der how much more I can spend  
**D5**            **Bb5** **F5**            **C5**    **D5**            **Bb5**  
Well, I guess I should stick up for myself But I real  
  
          **F5**            **C5**  
ly think it's better this way  
**D5**            **Bb5**  
The more you suffer

**F5**            **C5**            **F5**  
The more it shows you really care  
**G5 C5 G5**  
Right? Ye\_\_ah

[Break]

**A5 F5 C5 G5 A5 F5 C5 G5**

[Verse 3]

**A5**            **F5 C5**            **G5**  
Now I'll relate this little bit  
**A5**            **F5**            **C5**            **G5**  
That happens more than I'd like to admit  
**A5**            **F5 C5**            **G5**  
Late at night, she knocks on my door  
**A5**            **F5 C5**            **G5**  
She's drunk again and looking to score  
**A5**    **F5 C5**            **G5**  
Now I know I should say no  
**A5**            **F5**            **C5**            **G5**  
But it's kind of hard when she's ready to go  
**A5**            **F5 C5**            **G5**  
I may be dumb, but I'm not a dweeb  
**A5**            **F5 C5**            **G5**  
I'm just a sucker with no self esteem

[Chorus]

**A5**    **F5**    **C5**            **G5**  
Oh hey yeah ay yeah yeah yeah  
**A5 F5 C5 G5**  
Oh yeah yeah

**A5 F5 C5 G5**  
Oh yeah yeah  
**A5 F5 C5 G5**  
Oh yeah yeah

[Outro]

**D5**            **Bb5 F5**            **C5 D5**            **Bb5**  
When she's saying, oh, that she wants only me Then I won  
**F5**                            **C5**

der why she sleeps with my friends  
**D5**            **Bb5 F5**            **C5 D5**            **Bb5**  
When she's saying, oh, that I'm like a disease Then I won  
**F5**                            **C5**

der how much more I can spend  
**D5**            **Bb5 F5**            **C5 D5**            **Bb5**  
Well, I guess I should stick up for myself But I real  
**F5**                            **C5**

ly think it's better this way  
**D5**            **Bb5**  
The more you suffer  
**C5**            **G5**            **F5**  
The more it shows you really care  
**G5 C5 G5 A5**

Right? Ye\_\_ah
