

When Love Comes to Town

U2

[Intro]

E

[Verse 1]

E

I was a sailor, I was lost at sea
I was under the waves before love rescued me
I was a fighter, I could turn on a thread
Now I stand accused of the things I've said

[Chorus]

A

When love comes to town I'm gonna jump that train

E

When love comes to town I'm gonna catch that
flame

Maybe I was wrong to ever let you down

E

But I did what I did before love came to town

[Verse 2]

E

Used to make love under a red sunset
I was making promises I was soon to forget
She was pale as the lace of her wedding gown
But I left her standing before love came to town

[Verse 3]

A

I ran into a jukejoint when I heard a guitar
scream

E

The notes were turning blue, I was dazed and in a
dream

As the music played I saw my life turn around
That was the day before love came to town

[Chorus]

A

When love comes to town I'm gonna jump that train

E

When love comes to town I'm gonna catch that
flame

Maybe I was wrong to ever let you down
But I did what I did before love came to town

E

A

When love comes to town I'm gonna jump that
train

E

When love comes to town I'm gonna catch that
flame

Maybe I was wrong to ever let you down

E

But I did what I did before love came to town

[Verse 4]

E

I was there when they crucified my Lord
I held the scabbard when the soldier drew his
sword

I threw the dice when they pierced his side
But I've seen love conquer the great divide

[Chorus]

A

When love comes to town I'm gonna catch that
train

E

When love comes to town I'm gonna catch that
flame

Maybe I was wrong to ever let you down

But I did what I did before love came to town
