Come On

[Verse 1]

Dm  
The paranoia is in bloom, the PR  
Gm F  
The transmissions will resume  
A  
They'll try to push drugs to  
keep us all dumb down and hope that  
Gm F A7  
We will never see the truth around  
Dm  
So Come On  
Another promise, another seed, another  
Gm F  
A package not to keep us trapped in greed  
A  
With all the green belts wrapped around our minds  
Gm F A7  
And endless red tape to keep the truth confined  
Dm  
So Come On

[Chorus]

Dm Gm F  
They will not force us

**A** **Gm F A7**  
And They will stop degrading us  
**Dm** **Gm F**  
They will not control us  
**A** **Gm F A7**

**Dm**

[Verse 2]

**Dm**  
Interchanging mind control  
**Gm F**  
Come let the revolution take it's toll if you could  
**A**  
Flick the switch and open your third eye, you'd see that  
**Gm F A7**  
We should never be afraid to die  
**Dm**  
So Come On  
Rise up and take the power back , it's time that  
**Gm F**  
The fat cats had a heart attack, you know that  
**A**  
Their time is coming to an end  
**Gm F A7**  
We have to unify and watch our flag ascend  
**Dm**  
So Come On

[Chorus]

**Dm** **Gm F**  
They will not force us  
**A** **Gm F A7**  
and They will stop degrading us
