

Every Time You Go Away
Paul Young

F Am Bb C 2x

F

Hey

if we can't solve any problems,
then why do we lose so many tears?

F

Oh

so you go again, when the leading man appears.

Dm

Always the same theme

Bb

can't you see

We've got ev'rything going on and on and on.

F

Ev'ry time you go away, you take a
piece of me with you.

F

Ev'ry time you go away, you take a
piece of me with you.

F Am Bb C

Go on and go free
maybe you're too close to see.

F

I can feel your body move
doesn't mean that much to me.

Dm

I can't go on singing the same theme

'cause can't you see

We've got ev'rything

G7

do you even know we know:
