

Brave
Sara Bareilles

[Verse]

A#

You can be amazing

A#

You can turn a phrase into a weapon or a drug

Gm

You can be the outcast

Gm

Or be the backlash of somebody's lack of love

D# F

Or you can start speaking up

A#

Nothing's gonna hurt you the way that words do

A#

And they settle 'neath your skin

Gm

Kept on the inside and no sunlight

D#

Sometimes a shadow wins

F

But I wonder what would happen if you

[Chorus]

A#

Say what you wanna say

Gm

D#

And let the words fall out

F
Honestly I wanna see you be brave

A#

With what you want to say

Gm D#

And let the words fall out

F
Honestly I wanna see you be brave

A#

I just wanna see you

D#

I just wanna see you

Gm

I just wanna see you

F

I wanna see you be brave

A#

I just wanna see you

D#

I just wanna see you

Gm

I just wanna see you

F

I wanna see you be brave

[Verse]

A#

Everybody's been there, everybody's been stared
down

A#

By the enemy

Gm

Fallen for the fear and done some disappearing

Gm

Bow down to the mighty

D# F

Don't run, stop holding your tongue

A#

Maybe there's a way out of the cage where you live

Gm

Maybe one of these days you can let the light in

D# F

Show me how big your brave is

[Chorus]

A#

Say what you wanna say

Gm D#

And let the words fall out

F

Honestly I wanna see you be brave

A#

With what you want to say

Gm D#

And let the words fall out

F

Honestly I wanna see you be brave

[Bridge]

Gm

A#

And since, your history of silence

A#/D

D#

Won't do you any good

A#/D

D#

Did you think it would?

Gm

A#

Let your words be anything but empty

Fsus4

F

Why don't you tell them the truth?

[Chorus]

N.C.

Say what you wanna say

Honestly I wanna see you be brave

I just wanna see you
