

Scars to Your Beautiful
Alessia Cara

[Verse 1]

F **Am**
She just wants to be beautiful
F **Am** **G**
She goes unnoticed, she knows no limits
F **Am**
She craves attention, she praises an image
F
She prays to be sculpted by the sculptor
F **Am**
Oh, she don't see the light that's shining
F
Deeper than the eyes can find it
Maybe we have made her blind
Am **G** **F** **Am**
So she tries to cover up her pain and cut her woes away
F
Cause covergirls don't cry after their face is made

[Chorus]

F **Am**
But there's a hope that's waiting for you in the dark
F **Am**
You should know you're beautiful just the way you are
G **F**
And you don't have to change a thing
Am
The world could change its heart
F
No scars to your beautiful, we're stars and we're beautiful

[Bridge]

F Am F Am
G **F**
And you don't have to change a thing
Am
The world could change its heart
F
No scars to your beautiful, we're stars and we're beautiful

[Verse 2]

F **Am** **F**
She has dreams to be an envy, so she's starving
Am **G**
You know, covergirls eat nothing

She says "beauty is pain and there's beauty in everything"
"What's a little bit of hunger?"
"I can go a little while longer," she fades away
She don't see her perfect, she don't understand she's worth it
Or that beauty goes deeper than the surface, oh, oh
So to all the girls that's hurting, let me be your mirror
Help you see a little bit clearer the light that shines within

[Chorus]

There's a hope that's waiting for you in the dark
You should know you're beautiful just the way you are
And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful

[Bridge]

And you don't have to change a thing
The world could change its heart
No scars to your beautiful, we're stars and we're beautiful

[Interlude]

No better you than the you that you are
No better you than the you that you are
No better life than the life we're living
No better life than the life we're living
No better time for your shine, you're a star
No better time for your shine, you're a star
Oh, you're beautiful, oh, you're beautiful

[Chorus]

And there's a hope that's waiting for you in the dark

F **Am**
You should know you're beautiful just the way you are
 G **F**
And you don't have to change a thing
 Am
The world could change its heart
 F
No scars to your beautiful, we're stars and we're beautiful

[Outro]

F Am F Am
 G **F**
And you don't have to change a thing
 Am
The world could change its heart
 F
No scars to your beautiful, we're stars and we're beautiful
