

The Boulevard Of Broken Dreams (Gigolo And Gigolette)
Tony Bennett

I walk along the street of sorrow,

Cdim Em B7
The boulevard of broken dreams,

Cdim F#m7-5 B7 Cdim F#m7-5 B7
Where gi - go - lo and gigalette can take a kiss without regret

F9 F#m7-5 Em
So they forget their broken dreams.

Em Cdim B7 Cdim Em
You laugh tonight and cry tomorrow

Cdim Em B7
When you behold your shattered dreams,

Cdim F#m7-5 B7 Cdim F#m7-5 B7
And gi - go - lo and gigalette awake to find their eyes are wet

F9 F#m7-5 B7 Em
With tears that tell of broken dreams.

Here is where you'll always find me,

F9 Em Em7+5 Em7
Always walking up and down;

But I left my soul behind me in an old cathedral town.

The joy that you find here you borrow,

Cdim Em B7
You cannot keep it long it seems;

But gi - go - lo and gigalette still sing a song and dance along

Boulevard of broken dreams.
