Lyrics:

There I was completely wasting, out of work and down  
all inside it's so frustrating as I drift from town to town  
feel as though nobody cares if I live or die  
so I might as well begin to put some action in my life

Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law

So much for the golden future, I can't even start  
I've had every promise broken, there's anger in my heart  
You don't know what it's like, you don't have a clue  
If you did you'd find yourself doing the same thing too

Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law

You don't know what it's like

Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
Breaking the law, breaking the law  
END
