

A Forest  
The Cure

Note: There are three versions of this song. I'm tabbing from the version found on the 'Greatest Hits' and 'Staring at the Sea - The Singles' albums. I'm not sure if there is any discernible difference between it and the versions found on 'Seventeen Seconds' or the Tree Mix found on 'Mixed Up' as I've never really listened to them all the way through.

[Intro]

The intro consists mainly of two parts.

Pt. I - Played three times through as the bass comes in. This is the way I find it easiest to play.

```
e|-----|
B|-----|
G|----2-----|
D|-----3---2---3-|
A|--0-----0---0---0---|
E|-----|
```

Pt. II - Played once. Palm mute from the last note into the first Am chord.

```
e|-----|
B|-----0-1-----|
G|----2-----2-0-----|
D|-----3-2-0-----|
A|--0-----0-----3-0-|
E|-----|
```

Am C F Dadd9 (two measures)

[Verse]

```
      Am          C
Come closer and see
F              Dadd9
see into the trees
Am          C
find the girl
F              Dadd9
while you can
```

Am C  
Come closer and see  
F Dadd9  
see into the dark  
Am C  
just follow your eyes  
F Dadd9  
just follow your eyes

B C A C  
B C A F

Am C F Dadd9 (two measures)

[Verse 2]

(Am C F Dadd9 pattern)  
I hear her voice  
calling my name  
the sound is deep  
in the dark

I hear her voice  
and start to run  
into the trees  
into the trees

B C A C  
B C A F

Into the trees

Am C F Dadd9 (four measures)

[Verse 3]

(Am C F Dadd9 pattern)  
Suddenly I stop  
but i know it's too late  
I'm lost in a forest  
all alone

(Am C F Dadd9 pattern)  
The girl was never there  
it's always the same

I'm running towards nothing  
again and again and again. . .

B C A C  
and again. . .

B C A F  
and again. . .

[Outro]

Am C F Dadd9 (repeats until song is finished)

I cannot figure out the final chord progression, unfortunately. N  
evertheless,  
those are the correct chords.
