[Verse 1]

A#m A#m/G# F#
I, I never thought I'd be your type, ah-ah-I
D#m A#m A#m/G# F#
On my mind, the kind of love I can't describe, ah-ah-I

[Pre-chorus]

D#m A#m
You got me runnin', oh no
A#m/G# F#
Away from our history, oh no
D#m A#m
And through the darkness, oh no
A#m/G# F#
Oh, I can see you and me, oh no

[Chorus]

A#m
When you find a love that's right
A#m/G# F#
You can drive all night, drive all night, ah-ah
A#m
Do what makes you feel alive
A#m/G# F#
You can drive all night, drive all night
N.C. A#m
'Cause the road's callin' over again
A#m/G# F#

Ride to the morning, right to the end now

A#m

When you find a love that's right

A#m/G# F#

You can drive all night, drive all night

[Verse 2]

A#m A#m/G# F#

Faith, remember how we were back then, ah-ah-I

D#m A#m A#m/G# F#

I can't fake emotions, I can't comprehend, ah-ah-I

[Pre-Chorus]

D#m A#m

You got me runnin', oh no

A#m/G# F#

Away from our history, oh no

D#m A#m

And through the darkness, oh no

A#m/G# F#

Oh, I can see you and me, oh no (Drive)

[Chorus]

A#m

When you find a love that's right

A#m/G# F#

You can drive all night, drive all night, ah-ah

A#m

Do what makes you feel alive

A#m/G# F#

You can drive all night, drive all night

N.C. **A#m**

'Cause the road's callin' over again

A#m/G# F#

Ride to the morning, right to the end now

A#m

When you find a love that's right

A#m/G# F#

You can drive all night, drive all night

[Bridge]

A#m

You and me, history

A#m/G# F#

I'm runnin' from the rest of my life

D#m A#m

.....Through the darkness, I see your eyes

A#m/G# F#

And realize that I, that I (Drive)

[Chorus]

A#m

When you find a love that's right

A#m/G# F#

You can drive all night, drive all night, ah-ah

A#m

Do what makes you feel alive

A#m/G# F#

You can drive all night, drive all night

D#m A#m

'Cause the road's callin' over again

A#m/G# F#

Ride to the morning, right to the end now

A#m

When you find a love that's right

A#m/G# F#

You can drive all night, drive all night, drive all night
