Who's that knocking on my door?  
It's gotta be a quarter to four

G

D

Well you can love me tonight if you want

C

But in the morning make sure you're gone  
I'm talkin' to you

Hot legs  
Wearing me out  
Hot legs  
You can scream and shout  
Hot legs  
Are you still in school?  
I love you honey

[Verse 2]

G

Got a most persuasive tongue  
You promise all kinds of fun

C

But what you don't understand

**G**

I'm a working man

**D**

Gonna need a shot of vitamin E

**C**

By the time you're finished with me

I'm talking to you

[Chorus]

**G**

Hot legs

You're an alley cat

Hot legs

You scratch my back

Hot legs

Bring your mother too

I love you honey

Imagine how my daddy felt

In your jet black suspender belt

**C**

Seventeen years old

He's touching sixty-four

D

You got legs right up to your neck

C

You're making me a physical wreck  
I'm talking to you

[Chorus]

G

Hot legs  
In your satin shoes  
Hot legs  
Are you still in school?  
Hot legs  
You're making me a fool  
I love you honey  
Hot legs  
Making your mark  
Hot legs  
You keep my pencil sharp  
Hot legs  
Keep your hands to yourself  
I love you honey  
Hot legs  
You're wearing me out  
Hot legs  
You can scream and shout  
Hot legs  
You're still in school  
I love you honey!

[Outro]

G

Hot legs  
Hot legs  
Yeah baby  
Hot legs  
Hot legs you're well-equipped  
Hot legs oh your pussy's whipped  
Hot legs I just love your lips  
I love ya  
I love ya

I love ya, honey

Hot legs

Hot legs

Hot legs

I love ya honey!
