Verse:

Oh here you are, there's nothing left to say

**B5-A5-G5** **A5**

You're not supposed to be that way

Did they push you out? did they throw you away?

Bridge:

**B5-A5**

**G5** **A5**

Touch me now and I don't care

**G5** **A5**

When you take me I'm not there

**G5** **A5**

Almost human, but I'll never be the same

Chorus:

G5/A5-A5-A5 D5-D5-D5-C#5-B5-A5-A5

Long way down,

G5

A5

I don't think I'll make it on my own

Long way down, I don't want to live in here alone

Long way down, I don't think I'll make it on my own

(verse)

I never put you down, I never pushed you away

You're not supposed to be that way

And anything you want, there's nothing I could say

(bridge)

Is there anything to feel?

Is it pain that makes you real?

Cut me off before it kills me

(chorus)

Long way down, I don't think I'll make it on my own

Long way down, I don't want to live in here alone

Long way down, I don't think I'll make it on my own

(verse)

I never put you down, I never pushed you away

(bridge)

Take another piece of me

Give my mind a new disease

And the black and white world never fades to gray

(chorus)

Long way down, I don't think I'll make it on my own

Long way down, I don't want to live in here alone

Long way down, I don't think I'll make it on my own
