

Breezin'
George Benson

D6
Yo baby down,

What's up

Bm
It's time to let 'em know about what

Em
The city that we come from

A
But they just try to play 'ya

(Repeat for rest of song)
Whaaat.

And some say our city don't be bumpin'
Yeah Whatever.

So break 'em off a little something
My pleasure,

Forever,
I'm high off of zigzags

Smoke through the city where I roam
And I call it home

Full of Samoans, Mexicans, Africans, Americans, Caucasians, can't forget
about the Asians

We all blend it to represent
The city that we groove to love

We're tighter than OJ's blood
So whatchu thinkin' of,

A place where everybody knows your name, your face, your number, your sister
and your brother.

And it's cool like that,
How we chill like that.

Homies don't slang no more, no time to bang no more.
That's all

OH,
And we're brand new & improved,
We got our own set of rules. that's if you coo', we coo'
Baby down, cartoon, Ms. Rachel just for you
So slip into the mood, and let yo booty groove while I'm

Breezin'
Through my city
Feelin' fine
Cause everybody's havin' a good time
In the city,
Is where we be chillin'
All the time
Cause everybody's havin' a good time.
