Don't listen what your girlfriend says  
**A#5**

She reads those magazines  
That say you failed the test  
You don't have what she needs

**D5 G5**

I slither like a viper

**D5 A#5**

And get you by the neck

**A#5**

You're foaming at the mouth

You've suffered in the darkness

**G5**

I'll suck the pain right out

**D5**

**G5**

So come and taste the reason

**D5**

**A#5**

I'm nothing like the rest

**F5**

**C5**

I kiss you in a way you'll never forget about

**D5**

That chick can eat her heart out!

[Chorus]

Love bites, but so do I, so do I, so do I!

[Bridge]

**A5 G5 G#5 G5 F5 D5**

It checks you in and kicks you  
down,  
And chews you up and spits you out  
It messes with your sanity  
By twisting all your thoughts around  
They say it's blind they say it waits  
but every time it seals your fate  
And now it's got you by the balls it won't  
let go until you fall  
I was down and out, got up I said Hey love I've  
had enough  
I've felt pleasure without pain  
My soul you'll never tame!

**F5 D#5**

Love bites, but so do I

[Solo]

**D5 F5 A#5 D5 F5 C5**

[Chorus]

**D5 F5 A#5 D5 F5 C5**

Love bites, but so do I, so do I.

**D5 F5 A#5 D5 F5 C5 D5 F5**

Love bites, but so do I, so do I, so do I

[Solo]

**A#5 D5 F5 C5 D5 F5 A#5**

Love bites, but so do I, so do I

**D5 F5 C5**
