

Heartbeat Song  
Kelly Clarkson

[Intro]

**F#**  
This is my heartbeat song and I'm gonna play it  
**A#m**  
Been so long I forgot how to turn it  
**D#m**  
Up up up up all night long  
**B**  
Oh up up all night long

[Verse]

**F#** **A#m**  
You, where the hell did you come from  
**D#m**  
You're a different different kind of fun  
**B**  
And I'm so used to feeling numb  
**F#** **A#m**  
Now, I've got pins and needles on my tongue  
**D#m**  
Anticipating what's to come  
**B**  
Like a finger on a loaded gun

[Pre-Chorus]

**F#**  
I can feel it rising  
**A#m**  
Temperature inside me  
**D#m** **C#**  
Haven't felt it for a lifetime

[Chorus]

**F#**  
This is my heartbeat song and I'm gonna play it  
**A#m**  
Been so long I forgot how to turn it  
**D#m**  
Up, up, up, up all night long  
**B**  
Oh up up all night long  
**F#**  
This is my heartbeat song and I'm gonna play it  
**A#m**  
Turned it on, but I know you can take it

D#m

Up, up, up, up all night long

B

Oh up up all night long (all night long)
