

I Had Too Much To Dream (Last Night)  
The Electric Prunes

**Dm** **C**  
Last night your shadow fell upon my lonely room  
**Dm** **C**  
I touched your golden hair and tasted your perfume  
**Gm** **Dm**  
Your eyes were filled with love the way they used to be  
**Gm** **Dm** **G**  
Your gentle hand reached out to comfort me

**Dm**  
Then came the dawn  
**C#m**  
And you were gone  
**G** **F** **Eb**  
You were gone, gone, gone

**Dm** **G**  
I had too much to dream last night  
**Dm** **G**  
Too much to dream  
**Dm** **G**  
I'm not ready to face the light  
**Dm** **A**

**Dm** **C** **Bb** **C**  
Last night

**Dm** **C**  
The room was empty as I staggered from my bed  
**Dm** **C**  
I could not bear the image racing through my head  
**Gm** **Dm**  
You were so real that I could feel your eagerness  
**Gm** **Dm** **G**  
And when you raised your lips for me to kiss

**Dm**  
Then came the dawn  
**C#m**  
And you were gone  
**G** **F** **Eb**  
You were gone, gone, gone

**Dm** **G**  
I had too much to dream last night
