U2

[Verse 1]

G D C

You're dangerous, 'cos you're honest

G D C

You're dangerous, you don't know what you want

G D C

Well, you left my heart empty as a vacant lot

G D C

For any spirit to haunt

D C D C

Hey hey, sha la la, Hey hey

[Verse 2]

G D C

You're an accident waiting to happen

G D C

You're a piece of glass left there on the beach

G D C

Well, you tell me things I know you're not supposed to

G D C

You leave me just out of reach

D C

Hey hey, sha la la

D C

Hey hey, sha la la

[Chorus]

G D C

Who's gonna ride your wild horses?

G D C

Who's gonna drown in your blue sea?

G D C
Who's gonna ride your wild horses?

G D C
Who's gonna fall at the foot of thee?

[Verse 3]

G D C
Well, you stole it, 'cos I needed the cash

G D C
And you killed it, 'cos I wanted revenge

G D C
Well, you lied to me, 'cos I asked you to

G D C
Baby, can we still be friends?

D C
Hey hey, sha la la

D C
Hey hey, sha la la

[Chorus]

G D C
Who's gonna ride your wild horses?

Who's gonna drown in your blue sea?

Who's gonna ride your wild horses?

Who's gonna fall at the foot of thee?
