

After The Rain VFx: 1A

Intro: G - D - Am - C - C - G - G

If I had my [C]way, I would never go [G]back
With my [G]back to the wall, I'd just [Bm]let myself fall
[C] Watch the days turn to [D]black
But [Em]now and again I [D]find, [Am]you cross my [C]mind [G]

If I was a [C]train, I would never slow [G]down
With my [G]head in the sky and the [Bm]world going by
[C] Every nowhere [D]town
As I [Em]write one more letter to [D]you,
Lord I [Am]can't change the things that I [C]do

Chorus:

Oh, [G]One day, when you [D]discover,
[D]Just why I [Em]ran, ran away from you [C]lover
I know I'm to [G]blame, I feel so a [D]shamed
Call out your [Am]name, [C]after the [G]rain

Bridge: (G B D) Em - D - Am - C - C - G - G

[Bm]What do you want me to [Em]do,
I've [Bm]thrown away everything for [Em]you
I've [A7]wasted my dreams and each day it seems
I'm [C]losing my way back to [D]you

It's time for a [C]change, what else can I [G]do
With the [G]clock ticking time better [Bm]make up my mind
[C] Is it me or is it [D]you?
And [Em]tonight as I'm losing [D]control
I will [Am]drink to the queen of my [C]soul

(Chorus)
