Tell her about it, tell her how you feel right now

Just tell her about it, the girl don't want to wait too long

You got to tell her about it, tell her now and you won't go wrong

You got to tell her about it before it gets too late

You got to tell her about it, you know the girl don't want to wait

You got to tell her about it, you've got to tell, tell, tell her about it
