Am

[Verse 1]

          F                          G  
You were working as a waitress in a cocktail bar  
F              G  
When I met you  
F  
I picked you out, I shook you up  
          G  
And turned you around

Turned you into someone new  
F                          G  
Now five years later on you've got the world at your feet  
F                          G  
Success has been so easy for you  
F                          G  
But don't forget it's me who put you where you are now  
F                          G  
And I can put you back down too.

[Pre-Chorus]

Am              Em

The five years we have had have been such good at times

I guess it's just what I must do
