Wondering how the hell we got here

## CHORUS:

A D  
Hush hush, don't you dare say a word, hush hush

E  
Don't you know the truth hurts, hush hush

A 1  
When push comes to shove, It's best to keep it hush hush

A  
We were sitting around the dinner table,

And we were eating our pumpkin pie

A  
While the sugar coated, Pretty little secret was eating everybody alive
