

Right Down The Line

[Intro] A^m G E^m C [3x] G D E^m-D C...

A^m G E^m C
You know I need your love You've got that hold over me
Long as I've got your love You know that I'll never leave
When I wanted you to share my life I had no doubt in my mind
G D E^m D C
And it's been you woman Right down the line

I know how much I lean on you Only you can see
The changes that I've been through Have left a mark on me
You've been as constant as a Northern Star The brightest light that shines
G D E^m D C
And it's been you woman Right down the line

[Chorus]

A F^{#m} D
I just want to say this is my way
B⁷ E C A^m
Of telling you everything I could never say before....
F^{#m} D B⁷
Yeah this is my way of telling you that
E C A^m G
Every day I'm loving you so much more (*straight to verse/chorus/outro*)

A^m G E^m C
Cause you believed in me through my darkest night
Put something better inside of me You brought me into the light
Threw away all those crazy dreams I put them all behind
G D E^m D C
And it's been you woman Right down the line

If I should doubt myself if I'm losing ground
I won't turn to someone else They'd only let me down
When I wanted you to share my life I had no doubt in my mind
G D E^m D C
And it was you woman Right down the line

[Chorus]

[Solo] A^m G E^m C [3x] G D E^m-D (*straight to chorus*)
