

Sober  
Tool

[Intro]

Dm F C D#

[Verse 1]

Dm  
There's a shadow just behind me,  
F  
shrouding every step I take,  
C  
making every promise empty,  
D#  
pointing every finger at me.

Dm  
Waiting like a stalking butler  
F  
who upon the finger rests.  
C  
Murder now the path called "must we"  
D#  
just because the son has come.

Dm  
Jesus, won't you fucking whistle  
F  
something but the past and done?  
C  
Jesus, won't you fucking whistle  
D#  
something but the past and done?

[Hook]

Dm

Why can't we not be sober?

F

I just want to start things over.

C

Why can't we drink forever.

D#

I just want to start this over.

[Verse 2]

Dm

I am just a worthless liar.

F

I am just an imbecile.

C

I will only complicate you.

D#

Trust in me and fall as well.

Dm

I will find a center in you.

F

I will chew it up and leave,

C

I will work to elevate you

D#

just enough to bring you down.

Dm

Mother Mary won't you whisper

F

something but what's past and done.

C

Mother Mary won't you whisper

D#

something but what's past and done.

[Hook]

Dm

Why can't we not be sober?

F

I just want to start things over.

C

Why can't we sleep forever.

D#

I just want to start this over.
