

I Should Have Been True  
Mavericks

[Intro]

| C | | Am | | C | | Am | |

[Verse]

          C              Am  
You held....my hand  
      Dm              G7  
I was...your man  
      C              Am  
I know...that I  
      Dm              G7  
Was wrong...to lie

[PRE-CHORUS]

          C                              C+  
If I could go back in time...back when you were mine  
          F                              G7  
I could hold you tight...and be with you

[Chorus]

                              C  
I should have been true  
                              Am  
I should have been blue  
              Dm  
I shouldn't wonder why you're gone  
              G7  
I should have known that I was wrong

[Verse]

          C              Am  
Your eyes...your lips  
      Dm              G7  
Your touch...I'll miss  
      C              Am  
The night...so long  
      Dm              G7  
Since you've...been gone

[PRE-Chorus]

          C                              C+  
If I could go back in time...back when you were mine

I could hold you tight...and be with you

[Chorus]

I should have been true  
I should have been blue  
I shouldn't wonder why you're gone  
I should have known that I was wrong

[SOLO]

[PRE-Chorus]

If I could go back in time...back when you were mine  
I could hold you tight...and be with you

[Chorus]

I should have been true  
I should have been blue  
I shouldn't wonder why you're gone  
I should have known that I was wrong

[Chorus]

I should have been true  
I should have been blue  
I shouldn't wonder why you're gone  
I should have known that I was wrong
