Lay Down Sally by Eric Clapton

[VERSE]
A
There is nothing that is wrong

                                      D
In wanting you to stay here with me.
  A
I know you've got somewhere to go,

But won't you make yourself at home and
D   **E**
stay with me? And don't you ever leave.

CHORUS
be careful, 4 bars at end (remember, double time)
A   **D**
Lay down, Sally, and rest you in my arms.
E   **A**
Don't you think you want someone to talk to?
A   **D**
Lay down, Sally, no need to leave so soon.
E   **A**
I've been trying all night long just to talk to you.

[VERSE]
     A
The sun ain't nearly on the rise

                                       D
And we still got the moon and stars above.
A
Underneath the velvet skies,

                                      D
Love is all that matters. Won't you stay with me?
               E
And don't you ever leave.

CHORUS

A   D
Lay down, Sally, and rest you in my arms.
E   A
Don't you think you want someone to talk to?
A   D
Lay down, Sally, no need to leave so soon.
E   A
I've been trying all night long just to talk to you.
