[Verse]

Wish I could  
I could have said goodbye  
I would have said what I wanted to  
Maybe even cried for you  
If I knew it would be the last time  
I would have broke my heart in two  
Tryin' to save a part of you

[Chorus]

Don't want to feel another touch  
Don't want to start another fire  
Don't want to know another kiss  
No other name falling off my lips  
Don't want to give my heart away  
To another stranger  
Or let another day begin

Won't even let the sunlight in  
No, I'll never love again  
I'll never love again  
Ooohhh oooh ohh oh

[Verse]

When we first met

I never thought that I would fall

I never thought that I'd find myself

lyin' in your arms Mmmm mmmm

And I wanna pretend that it's not true

oh baby that you're gone

Cause my world keeps turnin' and turnin' and turnin'

and I'm not movin' on

[Chorus]

Don't want to feel another touch **G**  
Don't want to start another fire **Em**
