

# The Mother We Share Chvrches

[Intro]

**C# C# Fm**

[Verse 1]

**F# A#m G#**  
Never took your side, never cursed your name  
**F#**  
I keep my lips shut tight, until you go  
**A#m G#**  
And we've come as far as we're ever gonna get  
**F#**  
Until you realize, that you should go

[Chorus]

**C# Fm**  
Come in misery, where you can seem as old as your omens  
**F#**  
And the mother we share  
Will never keep your proud head from falling  
**C# Fm**  
The way is long, but you can make it easy on me  
**F#**  
And the mother we share  
Will never keep our cold heart from calling

[Verse 2]

**A#m** **G#**  
In the dying light, I'm the only one here  
**F#**  
And I will cover you, until you go  
**A#m** **G#**  
'Cause if I told the truth, I would always be free  
**F#**  
And keep a prize with me, until you go

[Chorus]

**C#** **Fm**  
Come in misery, where you can seem as old as your omens  
**F#**  
And the mother we share  
Will never keep your proud head from falling  
**C#** **Fm**  
The way is long, but you can make it easy on me  
**F#**  
And the mother we share  
Will never keep our cold heart from calling

[Interlude]

**C# Fm F#** **C#** **Fm**  
Into the night, for once, we're the only ones left  
**F#**  
I bet you even know, where we could go

**C#**

**Fm**

And when it all fucks up, you put your head in my hands

**F#**

It's a souvenir for when you go

[Chorus]

**C#**

**Fm**

Come in misery, where you can seem as old as your omens

**F#**

And the mother we share

Will never keep your proud head from falling

**C#**

The way is long, but you can make it easy on me

And the mother we share

Will never keep our cold heart from calling
