

Memory Lane  
Old Dominion

[Intro]

**F# B**

[Verse 1]

**F#**

If I could buy a house on Memory Lane

**B**

I'd put my money down and I'd sign my name

**F#**

On that little corner lot where it don't ever rain

**B**

And we'd stay good as new like a fresh coat of paint

**F#**

**B**

You'd be mine in the shine of a front porch light

**F#**

Yeah, I might as well live there, baby

**B**

That's where I spend most of my time

[Chorus]

**C#**

**D#m**

Thinkin' 'bout those sunsets that bled into jean jacket nights

**B**

**F#**

Those tangled up mornings lost in paradise

**C#**

**D#m**

Still drunk on the feeling when I close my eyes

**B**

You're pulling me closer, your head on my shoulder

**B**

We'd never let go and we'd never be over

[Verse 2]

**F#**

If I could buy a house on Memory Lane

**B**

I wouldn't have to wonder if you miss me the same

**F#**

I'd be loving you as usual, telling you you're beautiful

**B**

Oh, I'd be happily delusional

[Chorus]

**C#**

**D#m**

Thinkin' 'bout those sunsets that bled into jean jacket nights

**B**

**F#**

Those tangled up mornings lost in paradise

**C#**

**D#m**

Still drunk on the feeling when I close my eyes

**B**

You're pulling me closer, your head on my shoulder

**B**

We'd never let go and we'd never be over

[Guitar Solo]
